Company Overview

SoreSplendor LLC is a luxury perfume brand focused exclusively on premium fragrances for men, women, and unisex markets. The company delivers refined scent experiences paired with elevated presentation standards, designed to meet the expectations of luxury consumers, corporate buyers, and institutional clients.

SoreSplendor operates with a scalable, procurement-ready structure and maintains a disciplined brand approach aligned with global luxury benchmarks.

Core Competencies

- Luxury perfume collections and scent curation
- Premium presentation and gifting standards
- Corporate and institutional order support
- E-commerce operations and national distribution
- VIP and executive gifting programs

Differentiators

- High-end, long-lasting fragrance positioning
- Luxury brand identity and presentation discipline
- Procurement-ready communication and fulfillment structure
- Lender-safe, ADA-aware, and compliance-oriented operations

NAICS Codes

Primary:

- 446120 – Perfume Stores (Retail Classification)

This NAICS code is lender-safe and appropriate for businesses engaged in the retail sale of perfumes. Although the broader NAICS title includes cosmetics and beauty supplies, this classification does not indicate manufacturing and does not increase lender risk.

Secondary:

- 454110 – Electronic Shopping & Mail-Order Houses
- 424210 – Drugs & Druggists' Sundries Merchant Wholesalers

Government & Corporate Procurement

SoreSplendor LLC supports fragrance procurement for corporate gifting, institutional programs, and formal ceremonial use.

Procurement Contact:

gov@soresplendor.com

800-251-8631

Past Performance

SoreSplendor maintains a professional operational foundation designed to support future corporate and institutional engagements. Past performance details will be provided as contracts are awarded.

Brand Vision

To build a globally recognized luxury perfume house distinguished by elegance, consistency, and refined fragrance craftsmanship.
